

BREAK THE CYCLE OF CRIME AND JOIN THE DIGITAL BUDDIES TRAINING

Digital Buddies Training

Laurea UAS
Tikkurila campus
Ratatie 22, Vantaa

In the Digital Buddies Training, you will learn how to guide your peers in digital matters. The training is conducted in small groups, with a maximum of five participants per group.

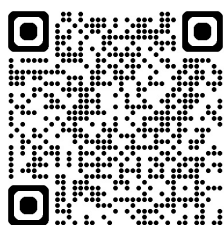

January 13, 2025	11 am–3 pm	Peer Support and Learning
January 20, 2025	11 am–3 pm	Communication Skills and Cybersecurity
January 27, 2025	11 am–3 pm	Facilitator Attributes and Learning Environment
February 2, 2025	11 am–3 pm	Ethical Guidelines and Open Badges

The training consists of four sessions. Each session includes a meal. After the training, you will have the opportunity to practice as a trainer and participate in the development of activities. Participants are expected to attend separately agreed-upon events within six months of the training.

Check out the experiences of the previous group on social media

#digikaverit

No prior experience is required; an interest in digital topics and a willingness to support others as a peer is enough!

Contact us for more information and to sign up for the training!
